This year featured a new Color Run, where every student received a t-shirt and ran through colorful powder before celebrating with popsicles. Students also earned prizes at fundraising milestones, including notebooks, stuffed animals, pieing a teacher, and helping turn their principal into an ice cream sundae.

What You Made Possible

Thanks to the generosity of our families and community, the PTO was able to support students, staff, and schools in meaningful ways throughout the year.

Classroom Grants

The PTO's classroom grants program helped fund materials, resources, experiences, and hands-on learning opportunities that directly supported students and teachers.

Students in Mrs. Scott's 1st grade class read on cushions purchased with grant money.

Mrs. Wright's 4th grade class uses clipboards bought with grant money.

Third graders visit the School of Economics, which was partially funded by PTO.

Staff at the IC craft lanyards during Staff Appreciation Week.

Field Trips (\$6 per student)
